

STATE OF WISCONSIN
Town of Sumner
Barron County

Resolution 2018-03
Allow Voter Registration in Clerk's Office

Whereas, the town clerk is allowed to register voters on election day in the polling place,

Whereas, on August 7, 2018, the town board authorized the clerk to appoint all current Election Inspectors as Election Registration Officials to register voters on election day in the polling place,

Whereas, also allowing voter registration in the clerk's office would increase efficiency of voter registration and reduce wait times when an Election Registration Official is registering voters in the polling place on election day,

Therefore, Be It Hereby Resolved, to allow the town clerk to register voters in the clerk's office on election day.

The town clerk shall properly post or publish this resolution as required under s. 60.80, Wis. stats.

Adopted September 11, 2018.
