

MINUTES
Town of Sumner- Canton Park Committee
Tuesday May 31, 2022 7:00 pm
Town Hall 1550 24 ½ St
Tuesday, May 31, 2022 7:30
Canton Park 12 ¾ Ave, (St. Marie) Town of Sumner, Wisconsin

Present: Joy Bartsch, Judy Herrman, Stacey Tubbs, Scott Tubbs, Cory Svoma,
Bobbi Demers joined at the park

We met at the Town Hall. Minutes from the last meeting, April 4, were read and approved. We looked at the financial papers that Lynette had sent. As of the end of April we have a balance of \$11,890.86 (eleven thousand eight hundred ninety dollars and eighty-six cents).

We looked at the three benches, which Cory put together and stored in the basement. These will be placed by the playground or along a sideline fence.

At the park we discussed the removal of blacktop, leaving a border of blacktop, if possible, and whether we could leave the basketball poles or remove them. Due to cost of putting basketball standards on the east and west end of the remaining court, we agreed to leave the standards where they are, have them sandblasted, and painted. The one on the north end would have another use, the one on the south would be used as a basket for the half size court.

We also looked at the area for the planter, sign, and flagpole. It was decided to put the sign east and west for better visibility. It was also decided to use a solar light for the flag pole.

Scott Tubbs is looking into getting help to put the playground equipment together and then decide when the work will be done. It was decided that if questions about playground work - times, supplies, etc – come up during the summer any three members could make a decision in line with our goals.

Agenda for the next meeting will include Fund Raising.

Next meeting date to be determined, when necessary.

Meeting adjourned. We left the park around 8:30 pm

Respectfully Submitted
Judy Herrman, Secretary
